18TH APRIL 2021

3rd SUNDAY of Easter

YEAR B

The Presence and Word Than Make Us Live

The risen Christ appears to two of his disciples certifying that he is truly alive. Then he gives them the mission to witness to what God has done for his people through his death and Resurrection. In the Risen Saviour, God reconciles the whole world to himself.

We share this mission of the apostles. Through our confident faith, lively hope, and life-giving love, we witness to people around us that Jesus is truly alive and is present in our day-to-day life.

We continue to meet the Risen Christ. He sets the hearts of his disciples at peace and opens their minds to understand the message of the Scriptures concerning his dramatic death. It is only in the light of the Resurrection that we are able to make sense of the violent passion and death of Christ. It is likewise in the light of his resurrection and the eternal life he earned for us that we can come to accept the trials of life with faith and patience. Only in the Risen Christ can we make sense of the dark sides of our existence and oppose the many forms of death that threaten our life. Lk 24:35-48

It is with deep regret that we announce the death of Fr. Thomas Areekuzhy's brother in India on Sunday. We offer our comfort to Thomas and especially pray for his brother, Fr. Thomas and the family.

Feedback on the Hall conversion. Please submit any last thoughts on the draft sample plans, available since March 7, before Midnight the 30th April.

Pope Francis:

“Although we are the ones who approach the altar in a procession to receive communion, in reality it is Christ who comes towards us to assimilate us in Him. There is an encounter with Jesus! To nourish oneself of the Eucharist means to allow oneself to be changed by what we receive. Catechesis on the Mass 2018
